

At **My Mortgage Advice**, we have over 20 years of experience in helping borrowers find suitable finance that meets their goals & needs.

## Why use **My Mortgage Advice**?

Navigating bank / lenders requirements and policies on your own can be frustrating, cumbersome and time consuming. Dealing with one bank lender limits your choice and could cost you in lost savings.

We have saved our clients both time and money by taking the hassle out of dealing with banks. We take care of this on your behalf, and we always act in your best interests.

We have accreditations with over 25 major banks/ lenders providing real choice.
